# SUPER RAFI<sup>®</sup> Cat

www.rafipetfood.com

## MISSION: BOWL

The cosmos for your cat - just a paw away.

A taste engineered with the precision of a space mission.

Natural ingredients, grain-free recipe, maximum meat.

Because your cat's everyday life deserves something extraordinary.

## A complete pet food for sterilised cats of all breeds with guinea fowl and duck hearts

Can: 185 g, 400 g

This Super Rafi Cat recipe combines flavourful guinea fowl meat with nutritious duck hearts, offering a particularly palatable option for sterilised cats. With 60% meat and animal ingredients, the formula is enriched with L-carnitine and DL-methionine to support weight management and urinary tract health.

It delivers highly digestible protein with a complete amino acid profile, while valuable fats from salmon and flaxseed oils contribute to skin and coat health. Diverse textures and addition of natural plant ingredients – such as beetroot juice and thyme – further support healthy digestion and enhance palatability.

Fortified with taurine and balanced minerals, including optimal levels of calcium and phosphorus, this recipe is a complete and well-balanced option for daily feeding of sterilised cats, offering reduced calorie content without compromising on quality or taste.

**Composition:** meat and animal derivatives 60% (chicken fillet 10%, guinea fowl meat 4%, duck hearts 4%), oils and fats (linseed oil 0.6%, salmon oil 0.5%), minerals, derivatives of vegetable origin (pea starch, powdered beetroot juice), dried thyme 0.01%. **Analytical constituents:** crude protein – 11%, crude fat – 3.5%, crude ash – 1.5%, crude fibre – 2%, moisture – 80%, calcium – 0.2%, phosphorus – 0.18%. **Additives: nutritional additives/kg:** Vitamin D<sub>3</sub> – 134 IU, Vitamin E – 12 mg, Vitamin C – 34 mg, Zinc (zinc sulphate, monohydrate) – 15.5 mg, Manganese (manganous sulphate, monohydrate) – 1.3 mg, Iodine (potassium iodide) – 0.3 mg, Taurine – 800 mg, L-carnitine – 800 mg. **Urine acidifier/kg:** DL-methionine – 4000 mg.

## A complete pet food for adult cats of all breeds with game and chicken hearts

Can: 185 g, 400 g

Super Rafi Cat with game and chicken hearts is a complete food for adult cats, carefully formulated to meet their daily nutritional requirements. With 70% meat and animal-derived ingredients - including chicken fillet, game meat and hearts - it provides highly digestible, top-quality protein with excellent biological value.

The inclusion of various meat cuts and organs (muscle meat, hearts and offal) ensures a rich nutritional profile and an appealing texture. Omega-3 and omega-6 fatty acids from salmon and flaxseed oils help maintain healthy skin, shiny coat and support essential metabolic processes.

Taurine is added to meet specific dietary needs of cats, while a balanced calcium-to-phosphorus ratio supports proper functioning of bones and muscles. Thanks to its thoughtful composition and premium ingredients, the food is not only nutritious, but also tasty and easy to digest.

**Composition:** meat and animal derivatives 70% (chicken fillet 10%, game meat 4%, chicken hearts 4%), oils and fats (linseed oil 0.6%, salmon oil 0.5%), minerals, derivatives of vegetable origin (powdered beetroot juice), dried thyme 0.01%. **Analytical constituents:** crude protein – 11%, crude fat – 6%, crude ash – 1.5%, crude fibre – 1%, moisture – 79%, calcium – 0.3%, phosphorus – 0.25%. **Additives: nutritional additives/kg:** Vitamin D<sub>3</sub> – 134 IU, Vitamin E – 12 mg, Vitamin C – 34 mg, Zinc (zinc sulphate, monohydrate) – 15.5 mg, Manganese (manganous sulphate, monohydrate) – 1.3 mg, Iodine (potassium iodide) – 0.3 mg, Taurine – 800 mg.

## A complete pet food for sterilised cats of all breeds with goose and turkey liver

Super Rafi Cat with goose and turkey liver is specially formulated for sterilised cats. With reduced fat content and functional additives such as L-carnitine and DL-methionine, it helps maintain optimal body weight and supports urinary tract health.

Made with 60% meat and animal-derived ingredients – including chicken, goose, and turkey – it supplies high-quality protein while keeping calorie levels in check. Turkey liver is a natural source of B vitamins that support energy metabolism and overall vitality.

The recipe also includes salmon and flaxseed oils, rich in omega-3 and omega-6 fatty acids, to promote healthy skin and shiny coat. A balanced calcium-to-phosphorus ratio supports bone strength, while added taurine meets cats' specific nutritional needs.

This light, nutritious food is carefully crafted to suit the unique metabolism of sterilised cats.

Can: 185 g, 400 g

**Composition:** meat and animal derivatives 60% (chicken fillet 10%, goose meat 4%, turkey liver 4%), oils and fats (linseed oil 0.6%, salmon oil 0.5%), minerals, derivatives of vegetable origin (pea starch, powdered beetroot juice), dried thyme 0.01%. **Analytical constituents:** crude protein – 11%, crude fat – 3.5%, crude ash – 1.5%, crude fibre – 2%, moisture – 80%, calcium – 0.2%, phosphorus – 0.18%. **Additives: nutritional additives/kg:** Vitamin D<sub>3</sub> – 134 IU, Vitamin E – 12 mg, Vitamin C – 34 mg, Zinc (zinc sulphate, monohydrate) – 15.5 mg, Manganese (manganous sulphate, monohydrate) – 1.3 mg, Iodine (potassium iodide) – 0.3 mg, Taurine – 800 mg, L-carnitine – 800 mg. **Urine acidifier/kg:** DL-methionine – 4000 mg.

## A complete pet food for adult cats of all breeds with quail and rabbit liver

This variant of Super Rafi Cat food combines easily digestible quail meat with nutrient-rich rabbit liver, providing high-quality protein with excellent biological value. With 70% meat and animal-derived ingredients, it delivers all essential amino acids to support health and vitality of adult cats.

The combination of chicken, rabbit and quail offers a rich flavour profile and varied textures that aid digestion and enhance palatability. Salmon and flaxseed oils are valuable sources of omega-3 and omega-6 fatty acids, helping to maintain healthy skin, glossy coat and strong immune function.

Enriched with taurine and balanced levels of calcium and phosphorus, this complete and easily digestible food is tailored to meet the specific nutritional needs of adult cats.

Can: 185 g, 400 g

**Composition:** meat and animal derivatives 70% (chicken fillet 10%, quail meat 4%, rabbit liver 4%), oils and fats (linseed oil 0.6%, salmon oil 0.5%), minerals, derivatives of vegetable origin (powdered beetroot juice), dried thyme 0.01%. **Analytical constituents:** crude protein – 11%, crude fat – 6%, crude ash – 1.5%, crude fibre – 1%, moisture – 79%, calcium – 0.3%, phosphorus – 0.25%. **Additives: nutritional additives/kg:** Vitamin D<sub>3</sub> – 134 IU, Vitamin E – 12 mg, Vitamin C – 34 mg, Zinc (zinc sulphate, monohydrate) – 15.5 mg, Manganese (manganous sulphate, monohydrate) – 1.3 mg, Iodine (potassium iodide) – 0.3 mg, Taurine – 800 mg.
